TO : The Ambassador

FROM : Special Assistant

SUBJECT: Bao Dai Cables

25X1X [redacted] informed this office this afternoon that Bao Dai sent long cables to President Diem and to the Unified Front. The cables were sent from Cannes, France, at 8:00 P.M. last evening. The cable to President Diem supports the President in the current crisis with the Sects. The cable to the Unified Front is consonant with the cable to Diem and expresses Bao Dai's regrets that he cannot support the Unified Front in its current activities. [redacted] did not recall the texts of these cables in detail. [redacted] 25X1X also stated he believes that President Diem does not, at present, have the intention of making public these cables.
